Las Vegas Your Way the Downtown Edition Lou Gifford

Las Vegas! I've vacationed there over 30 times, and I still get excited when I just say the name. That's why I wrote this book, to help you experience all that Vegas has to offer on your vacation. Find out why I believe Vegas is the entertainment capital of North America, as I share my knowledge of the best shows and tours, and the dining and attractions that it offers. So if you're planning your first trip to Vegas, or haven't been there recently, check out Las Vegas Your Way, the Downtown Edition. This is the third edition of Las Vegas Your Way and it is the best! After taking the best parts of the previous editions, more information was added about the new attractions and changes that have occurred in Vegas. Then since Downtown Las Vegas has become so popular, a new chapter on Downtown was also added to this edition. A gambling guide is also provided. For the beginner, the rules of the game of Blackjack, craps, and other table games are provided. Then to add to that knowledge, a second chapter containing information on comps, betting, and even table etiquette is provided. While this book can't teach you how to beat the house every time, it does provide techniques that I've fine tuned to gamble responsibly. This book will create a pathway for your own unique Las Vegas experience, whether your goal is non-stop adventure or relaxation. It is a travel guide you can reference on your vacation journey. Make sure you check out my Top 10 FREE attractions, and where you'll find discounted show tickets. Perhaps you want to know the transportation options available in Vegas, or avoid the busiest times in Vegas, or what Downtown Hotel I prefer? These questions and many more are answered in Las Vegas Your Way, the Downtown Edition.
