Theories of Performance

Elizabeth Bell

Theories of Performance Elizabeth Bell

Theories of Performance invites students to explore the possibilities of performance for creating, knowing, and staking claims to the world. Each chapter surveys, explains, and illustrates classic, modern, and postmodern theories that answer the questions, "What is performance?" "Why do people perform?" and "How does performance constitute our social and political worlds?" The chapters feature performance as the entry point for understanding texts, drama, culture, social roles, identity, resistance, and technologies.
