A Good Enough Daughter: A memoir Alix Kates Shulman

At twenty, Alix Kates Shulman wrenched herself from her middle-class family and staked a claim to a fierce independence. From her bestselling novel, **Memoirs of an Ex-Prom Queen**, to her brilliant memoir, **Drinking the Rain**, she has chronicled what it means to defy the expectations of family and society in order to map one's own life. Now, in this unflinching but tender memoir, she explores what it means to do what is expected of a daughter--discovering in the process the unexpected, complicated joys of going home.

Told with the grace, clarity, and insight we have come to expect from her, **A Good Enough Daughter** is the story of Shulman's difficult journey from dependency to alienation to reconciliation, as she returns home to care for her aging parents in the last years of their lives. The intersection of her own memory with family documents discovered in her parents' house provides the structure for this riveting exploration of her life as a daughter.

The author explained their thought in the simple way, and so all of people can easily to be aware of the core of this publication. This book will give you a great deal of information about this world now. In order to see the represented of the world within this book.

Winford Patterson:

As a scholar exactly feel bored to help reading. If their teacher inquired them to go to the library or make summary for some e-book, they are complained. Just small students that has reading's soul or real their passion. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading seriously. Any students feel that reading is not important, boring and can't see colorful photos on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this A Good Enough Daughter: A memoir can make you experience more interested to read.
