A New And Right Spirit: Creating An Authentic Church in a Consumer Culture Rick Barger

In a postmodern culture shaped by consumerism, it's little wonder that there is confusion about what the church is supposed to be in the 21st century. *In A New and Right Spirit*, Rick Barger argues passionately for congregations to reexamine what it means to be an "authentic church" in a culture where authenticity is hard to come by. He demonstrates the pitfalls of technical solutions to congregational problems and shows the way to making adaptive change. Recognizing the spiritual needs of a success-oriented society, he exhorts leaders to turn away from the story of our culture and to return to the story of the church that is grounded in Christ and the resurrection.
