As a tool for greater, more powerful connections to the spirit guides known as orbs, this double-CD set offers eight 15-minute meditations, which each correspond to color orb photographs found in the accompanying booklet. Guided by the authors, the meditations provide specific energies for enlightenment and transformation while boosting the ascension pathway. Visions of angels, archangels, fairies, the Lords of Karma, and the Ascension Masters are specifically written into the variety of meditations, offering further tools for confidence, love, empowerment, hope, and spiritual expansion with each encounter.
