Autumn Rising Seth King

"Spectacular. Mr. King is not just raising the bar, he is smashing it." - Abbie Dauenheimer writing for Bookslapped.com Autumn Mahal and Hank Basara know they should stay away from each other. Both recovering from the loss of a mutual friend, and each bearing scars of their own, they know their love would look like a worn cliché, a trite romance novel for teens, some crappy made-for-TV movie languishing on your great aunt's DVR. But as summer gives way to September and flirtation leads to something deeper, they learn there are some types of love you cannot run from, no matter how hard you try to flee. Hilarious, heartbreaking and hopeful, Autumn Rising is a novella about the happiness we ruin for ourselves, the truths we can't hide with a filter, and that elusive and victorious moment when we let love rush in and carry us to the sky. In a world of constant TMI, prepare to feel a story worth sharing – a story that will stay with you long after the summer fades to autumn.
