Cracking IT Campus Interviews Ms Deepa Jain

"Are you a • Final year student regretting that going an extra mile would have helped you crack the last Campus Interview? • Third year student losing your sleep over how to prepare for the upcoming campus season? • First or second year engineering student clueless about the fresher interview process? • Passed-out student aspiring to crack one of the off-campus events for fresher students? If yes, then your search for the perfect guide stops at this book which is written exclusively for you by someone who knows you well and is eager to help you. Salient Features • This book provides transcripts of 20 actual campus interviews faced by students of various engineering disciplines in India and covers a broad range of general awareness topics frequently asked during IT campus interviews. • Provides a deep insight into what an interviewer looks for while interviewing an engineering student. • Interviews of rejected students also included, making you aware of the mistakes you can omit while facing an interview. • Natural and fun-filled transcript format for each chapter with overall four scenes to convey a true interview atmosphere. • Written from a student's point of view, depicting real conversations for your better understanding."
