Marvel Comics: The Untold Story Sean Howe

“Sean Howe’s history of Marvel makes a compulsively readable, riotous and heartbreaking version of my favorite story, that of how a bunch of weirdoes changed the world...That it’s all true is just frosting on the cake.”

—Jonathan Lethem

“Exhaustively researched and artfully assembled, this book is a historical exploration, a labor of love, and a living illustration of how the weirdest corners of the counterculture can sometimes become the culture-at-large.”

— Chuck Klosterman

In the early 1960s, Marvel Comics introduced a series of bright-costumed superhero characters—including Iron Man, the Hulk, Thor, the X-Men, the Fantastic Four, Daredevil, and the Amazing Spider-Man—that would evolve into a modern American mythology for millions of readers. Over the last half-century, these characters have been passed along among generations of brilliant editors, artists, and writers who struggled with commercial mandates, a fickle audience, and, over matters of credit and control, one another. Written by Sean Howe, former comic book reviewer and editor at *Entertainment Weekly*, *Marvel Comics: The Untold Story* is a gripping narrative of one of the most extraordinary, beloved, and beleaguered pop cultural entities in America’s history.

From reader reviews:

Steven Tran:

The book Marvel Comics: The Untold Story can give more knowledge and information about everything you want. So just why must we leave the good thing like a book Marvel Comics: The Untold Story? Some of you have a different opinion about guide. But one aim that book can give many data for us. It is absolutely appropriate. Right now, try to closer with your book. Knowledge or details that you take for that, you are able to give for each other; you are able to share all of these. Book Marvel Comics: The Untold Story has simple shape however you know: it has great and large function for you. You can appearance the enormous world by open and read a publication. So it is very wonderful.

Lawrence Seay:

As people who live in the modest era should be revise about what going on or information even knowledge to make all of them keep up with the era that is certainly always change and make progress. Some of you maybe will probably update themselves by reading through books. It is a good choice in your case but the problems coming to anyone is you don't know what kind you should start with. This Marvel Comics: The Untold Story is our recommendation to make you keep up with the world. Why, because book serves what you want and wish in this era.

Herbert Turley:

Information is provisions for those to get better life, information nowadays can get by anyone at everywhere. The information can be a information or any news even a problem. What people must be consider any time those information which is inside former life are hard to be find than now could be taking seriously which one would work to believe or which one the actual resource are convinced. If you obtain the unstable resource then you obtain it as your main information we will see huge disadvantage for you. All of those possibilities will not happen with you if you take Marvel Comics: The Untold Story as your daily resource information.

Catherine Estey:

Do you like reading a reserve? Confuse to looking for your best book? Or your book has been rare? Why so many question for the book? But virtually any people feel that they enjoy for reading. Some people likes studying, not only science book but novel and Marvel Comics: The Untold Story or others sources were given understanding for you.
