The Great Elephant Escape

Antoinette van de Water, Lesbith Sluiter

The Great Elephant Escape Antoinette van de Water, Lesbith Sluiter

Street elephants are a common sight in Thailand. Some carry tourists on their backs, but most spend their days begging for food or money, urged on by their mahouts – their grooms and riders. The animals are often undernourished, in bad health, sleep next to garbage dumps, and walk along overcrowded highways with wounded feet.

In the green pastures of the Elephant Nature Park, a sanctuary in northern Thailand, traumatized elephants can recover and begin to enjoy life. Antoinette van de Water worked as a volunteer in this park and, with the dream of getting every elephant off the street, started the a rescue project.

The Great Elephant Escape describes the liberation of two street elephants and their journey to the Elephant Nature Park. It is a breathtaking adventure through the world of flirtatious elephant traders, poor villagers, well-wishing monks, and angry animal-rights advocates.

George Williams:

Information is provisions for folks to get better life, information today can get by anyone with everywhere. The information can be a know-how or any news even a problem. What people must be consider when those information which is in the former life are challenging be find than now's taking seriously which one works to believe or which one the resource are convinced. If you receive the unstable resource then you get it as your main information you will have huge disadvantage for you. All those possibilities will not happen with you if you take The Great Elephant Escape as the daily resource information.

William Pettigrew:

Playing with family in the park, coming to see the sea world or hanging out with close friends is thing that usually you might have done when you have spare time, in that case why you don't try issue that really opposite from that. Just one activity that make you not sensation tired but still relaxing, trilling like on roller coaster you already been ride on and with addition details. Even you love The Great Elephant Escape, you could enjoy both. It is good combination right, you still want to miss it? What kind of hang-out type is it? Oh seriously its mind hangout fellas. What? Still don't get it, oh come on its known as reading friends.
