The Magus John Fowles

A man trapped in a millionaire's deadly game of political and sexual betrayal.

Filled with shocks and chilling surprises, *The Magus* is a masterwork of contemporary literature. In it, a young Englishman, Nicholas Urfe, accepts a teaching position on a Greek island where his friendship with the owner of the island's most magnificent estate leads him into a nightmare. As reality and fantasy are deliberately confused by staged deaths, erotic encounters, and terrifying violence, Urfe becomes a desperate man fighting for his sanity and his life. A work rich with symbols, conundrums and labyrinthine twists of event, *The Magus* is as thought-provoking as it is entertaining, a work that ranks with the best novels of modern times.
