Learn to use body language to gain trust and persuade others!

Learn to use body language to accomplish your goals! An understanding of body language is essential to effective communication. Our gestures, eye movements, and tone of voice say everything that our words do not. In aligning our non-verbal signals with our words, we send clearer, stronger messages and make longer-lasting impressions. We enable ourselves to convey our true feelings and to accurately interpret the true thoughts and emotions of others. In doing so, we gain the confidence, trust, and support of others and make it easier to accomplish our goals. **The techniques outlined in Body Language were developed by experienced psychologists and social workers. They will enable you to detect lies, avoid confrontations, and influence audiences, generally improving your productivity and your ability to accomplish your goals.** Non-verbal communication allows us to project our true feelings and detect the true feelings of others, improving our friendships, our romantic and family relationships, and our interactions with our co-workers. Now is the time to start learning to read and refine body language. In refusing to take advantage of the techniques in this book you miss your opportunity to achieve greater success in every area of your life.
