Entre Tierras: Europa (Spanish Edition) Alexandre Pan

Qué puede hacer que un hombre inteligente, cauto y familiar, deje a un lado todo lo que es y se lance a recorrer una Europa en guerra. El profesor de historia Sergi Andreu encontró respuesta a esta pregunta el día que recibió el diario de su hermano. Un hombre de ciencias que estudiaba a los primates en su entorno natural en África y había desaparecido en las montañas de Nepal, sin dejar rastro. El joven profesor deberá sobrevivir a todas las tribulaciones y a su propia inexperiencia en un largo viaje, superando miedos y prejuicios para conseguir su objetivo. EUROPA es la primera entrega de las tres novelas que forman la trilogía ENTRE TIERRAS. Una ficción que se desarrolla en un periodo tan real y crudo como fue el de la primera guerra mundial.
