Gena Showalter - The Alien Huntress Series: Enslave Me Sweetly, Savor Me Slowly, Seduce the Darkness Gena Showalter

This ebook anthology contains three books in Gena Showalter's bestselling Alien Huntress series.

Enslave Me Sweetly

Eden Black walks among humans, protecting them from the murderous evil of other-worlders who abduct and enslave. And though she appears to be human herself, Eden is an alien, a Raka, distinguished by her golden hair and skin, and gifted with the ominous ability to kill without remorse -- and with total accuracy. That is, until the fateful night she has one shot to eliminate her target, a human slaver -- and misses. "Failure" is not in Eden's vocabulary. Neither is "partner" -- but that's what she is forcibly assigned after recovering from her disastrous mission. A sexy, steely-nerved human agent, Lucius Adaire enjoys nothing more than sparking the fury -- and rousing the desire -- of the fiery female assassin too proud to admit defeat. Locked in an assignment they cannot afford to lose, Lucius and Eden find themselves bound in two high-stakes, heart-pounding games: the sensual web of kill or be killed, and the erotic dance of seduction.

Savor Me Slowly

Mishka Le'Ace was created to be an undercover operative...literally. Her beautiful body has been mechanically augmented to give her superhuman strength -- strength she's going to need. Her latest mission sends her to rescue Alien Investigation and Removal agent Jaxon Tremain from torture and death. With him, she discovers a passion unlike any other. A passion she was forbidden to know....

From the moment they meet in a darkened cell, Jaxon craves her touch. But the machine half of Le'Ace forces her to do things she doesn't always want to do. Even betray him...and ultimately destroy him. Now Jaxon must battle the man controlling Le'Ace, and even Le'Ace herself, to at last claim the woman he's come to love.

Seduce The Darkness

The war between otherworlders and humans changed Earth beyond recognition. It also saved Bride McKells's life. Before, the gorgeous vampire was a target for every fanatic with a stake and a crucifix. Now, she's free to roam the streets -- and desperate to find others of her kind. One man claims to have the answers she seeks. Devyn, King of the Targons, is a warrior and a womanizer, and he makes no secret of how much he wants Bride -- and how dangerous he could be to her in every way.

An avid collector of women, Devyn easily seduces human and otherworlder alike. Until now. Not only does Bride resist him, but she leaves Devyn feeling something entirely new...a bone-deep need bordering on obsession. Her blood is the key to curing a vicious alien disease, but helping Bride uncover her origins will compel her to choose between electrifying passion and a destiny that could tear her from Devyn's side forever.
