Looking for love... Marilyn Jacobs has everything in her life that she wants...except the right man. She wants excitement, she wants passion...she wants the gorgeous man she just met! Making a bold first move seemed like the perfect plan until Loverboy ignored her come-on. Her humiliation is only slightly appeased because she knows she'll never see him again. What are the odds, right ? Or not. Blake Bryant is all about work, and while casual sex with a beautiful woman isn't something he normally turns down, Marilyn is the ex of his new business partner. Drama and complications are two things Blake avoids more than commitment. No matter how intriguing and tempting Marilyn is. But when both Blake and Marilyn are caught up in a suspicious robbery, they both must decide what's really important in life and if they're willing to admit their true feelings...before it's too late.
