**‘Laugh-out-loud funny, this book is exceptionally good.’** *Chick Lit Club*

*Love, Lies and Lemon Cake* is a **hilarious, bittersweet comedy** about taking your life back before it’s too late.

**Faye Dobson has lost her sparkle.** Living on film star fantasies and vague memories of a marriage that once was, she can’t help feeling that life is passing her by. She dreams of being whisked to Paris for dinner, making three wishes at the Trevi fountain and having sex under the stars. But the wrinkles are multiplying, her husband’s passion is for plumbing, and the nearest she’ll get to Rome is a take-away pizza.

So when Faye meets Dan the gorgeous Australian surfer guy working in the local deli she can’t help but wonder what it would be like to see the world. He is blonde, tanned, ten years younger and bakes the most *amazing* lemon cake. Unlike her husband Dan actually listens to Faye, his smile makes her feel fizzy inside, and when he smiles... Oh. My. God.

But is Faye being silly? What would Dan see in someone like her? Even if he did have feelings for her, could she give up everything to be with him?
