Rising Nobility: Dimensions Saga Book 7 T.M. Nielsen

The peaceful life of the Valharans is upended when small, petty crimes become life threatening acts of desperation. King Alric strives to find a balance between returning safety to his kingdom and ensuring his family is taken care of. Kyrin continues her mission in Carathis to save the dimensions she despises. She starts to come to terms with her role and responsibilities as a noble in Valhara, while keeping herself true to her real nature. Her spells become more powerful, which worries Sithias as he watches her magic grow. Sedomer and Ryche evolve into men who are trusted and looked up to in the kingdom. They try to help Kyrin come to terms with life as a noble, while trying to fit into their lives as High Priest and Holy Knight in Valhara.
