Empire Island is not the home of liberty. It's no place for a prison. And no immigrants ever passed through its portals. Instead, the abandoned Coast Guard station on the windswept waters of New York harbor is ground zero for an idea whose time has come: casino gambling in the Big Apple. For Bobby, the fight over Empire Island gets personal when a young husband and wife mysteriously vanish from their downtown, rent-controlled Manhattan apartment. The police's main suspect - landlord Jimmy Chung - then disappears without a whimper, and Chung's attorney Izzy Gleason turns to Bobby for help. Suddenly Bobby is playing with the heaviest hitters in New York, including the mayor, the state assembly speaker, and two dueling business tycoons: one who's into floating casinos, one who's into real estate, and both who are into a famous female tennis celebrity. As Bobby tries to figure out who is backstabbing who and why, he comes upon the beautiful, vengeance-crazed sister of one of the victims - and the heart of the case, one that is inexplicably connected with New York City's last honest men: a rabbi, a minister, and a priest. No joke.
