**Corrections: A Text/Reader, Second Edition** is designed for undergraduate and/or graduate corrections courses. Organized like a traditional corrections text, it offers brief authored introductions in a mini-chapter format for each key Section, followed by carefully selected and edited original articles by leading scholars. This hybrid format – ensuring coverage of important material while emphasizing the significance of contemporary research - offers an excellent alternative which recognizes the impact and importance of new directions and policy in this field, and how these advances are determined by research.
