The long awaited songbook of one of the most popular players of all time. These ten tunes are among the most popular songs sung by Hank Williams. The Tab and CD features the intro, backup behind the singer, the turn around and the ending of each song. You will be surprised that Don never used the E13th tuning as we know it. He had the 7th and 8th strings tuned to C# and A, and he never once used a slant bar position! The solo book can be played on the 6 or 8 string guitar as Don never used the 7th and 8th strings in this book. CD includes every tune and backup for each. The CD was recorded by Don Helms.
