More Than Words Can Say: A Novel Robert Barclay

"I normally do not read male authors but someone recommended [Barclay] and all I can say to her is thank you."

—Fresh Fiction

With his powerfully emotional debut, If Wishes Were Horses, author Robert Barclay immediately joined the ranks of Nicholas Sparks, Richard Paul Evans, and Robert James Waller. His second novel of love and hope, More Than Words Can Say, only confirms his place among them. A profoundly moving multi-generational family story centered around a woman's return to her late grandmother's lake cottage and the long-buried secrets she uncovers there, More Than Words Can Say will linger long in the heart and memory.
