Six short stories -- some sweet romance, some steamy romance, some suspense. Throw in teen angst, adults behaving badly, and ghostly appearances. What could be more fun? Celebrate Halloween this year with MYSTERIES OF THE MACABRE, six brand-new stories by authors who know how to get the pulses racing, one way or another. Alicia Dean – SCARRED Gothic romance Sometimes, the most haunting scars are the ones beneath the skin. When Natalie Jayne moved away from her home town ten years earlier, she left behind painful memories, along with Simon, the man she loved. Now, she's back on Halloween night to attend a memorial marking the one-year anniversary of the tragic passing of her childhood friend, Jessica. Rumors that Simon was responsible for Jessica's death unnerve her. Even more disturbing is her unsettling attraction to a masked stranger she meets at the event. Her gift may be the key to unlocking the truth, but will it also lead to heartbreak? Alexa Day – THREE, AFTER MIDNIGHT Erotic paranormal romance Deirdre lost her husband, Cameron, one long-ago Halloween night, but every Halloween night brings the chance to get him back. She just needs to find a man willing to ... get between them. Trip seems like a perfect choice. With his hard body and open mind, surely he won't mind letting Cam borrow him for a night. If he's into it, they're in for one mind-blowing reunion. But if he resists, will Cam's spirit be strong enough to protect her from the man she chose for him? Elvy Howard – GRANDMA'S WAY General Fiction Fifteen-year-old Caroline has one wish—to go to the Halloween dance with beautiful Bobby Ray. Only one person stands in her way—Mamma, who forces her to spend time in a smelly, hot attic, sorting and packing her deceased grandmother's belongings. But the discovery of a shocking secret brings new hope. Will her grandmother's past lead to Caroline's salvation or downfall? Leah St. James – BLOOD MOON Suspense/Paranormal One Halloween night, a killer terrorized a strip of Virginia beachfront, murdering a dozen young women whose only crime was walking the beach with a lover. Now, fifty years later, book reviewer Ronnie can't shake the feeling that another has come to take his place. Is her vivid imagination running wild, or are the spirits stirring, warning of approaching danger? Renci Denham – THE TIMESHARE TRIP Satire/General fiction Crystal and Roy never thought they could afford an all-inclusive seven-day trip to the tropics. After all, canned chili dinners and a wine cooler at the quick mart were the highlights of life in the trailer park. So what if the trip Crystal won required a time share presentation? It's not like their credit would pass anyway. But is the resort everything the web page on the computer said it would be? Rohn Federbush – THE FARM STRAY General fiction The discovery of an abandoned farm in the Michigan countryside triggers a vision of the farmer's past—or is it more?
