The Only Way to Learn About Horary and Electional Astrology is a new publication of Volume 6 of the highly popular and best-selling "Only Way to Learn About Astrology" 6-volume series. Horary astrology is the art of interpreting a chart set up for the moment you ask a question and then interpreting the horoscope to reveal the answer. Joan McEvers has developed a simple, easy-to-follow procedure that WORKS! You'll find many charts from her client files that demonstrate her skills at this technique and tell you the results. Electional astrology uses astrological principles to choose the best time to "give birth" (whether to a baby, business or marriage), buy or sell a home or car, etc. Marion D. March's expertise is amply demonstrated with many charts from her clients files, along with her reasoning behind choosing each of them, and the results. The stories behind these charts and case studies are fun to read, and very instructive on the techniques of interpretation!
