North Texas 1877

Ten years have passed since her ranch was attacked, her folks murdered and Molly Hart was abducted. Now, at nineteen, she's finally returning home to north Texas after spending the remainder of her childhood with a tribe of Kwahadi Comanche. What she finds is a deserted home coated with dust and the passage of time, the chilling discovery of her own gravesite, and the presence of a man she thought never to see again.

Matt Ryan is pushed by a restless wind to the broken-down remains of the Hart ranch. Recently recovered from an imprisonment that nearly ended his life, the drive for truth and fairness has all but abandoned him. For ten years he faithfully served the U.S. Army and the Texas Rangers, seeking justice for the brutal murder of a little girl, only to find closure and healing beyond his grasp. Returning to the place where it all began, he's surprised to stumble across a woman with the same blue eyes as the child he can't put out of his mind.
