Christopher Palmer:

As a scholar exactly feel bored to reading. If their teacher expected them to go to the library or make summary for some e-book, they are complained. Just small students that has reading's heart and soul or real their passion. They just do what the teacher want, like asked to the library. They go to presently there but nothing reading very seriously. Any students feel that reading through is not important, boring and also can't see colorful images on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country.
