It's the classic one-night stand: Beach wedding, bridesmaid, groom's friend. When Andrea and Damon meet, sparks fly, and they give in to the attraction. Sounds simple, but Andrea's still getting over someone, and Damon thought he'd be hooking up with another person that night. It could still be simple, really, if they chalk it up to a weekend tryst and move on.

But one night becomes lunch the week after, and then dinner the next weekend...and before they know it, Andrea and Damon are still together, dealing with the feelings they know they might still have for other people. How hard can it be to get exactly what you want? How do you even know what it is?

Andrea and Damon met in prequel short story WEDDING NIGHT STAND, but this book can be read as a standalone.
