Hush Enhanced (Stark Brothers Book 1) Cherry Adair

National bestselling author Cherry Adair introduces Lodestone, a unique investigative agency that can find anything, anyone, anywhere, in this edgy, sexy new suspense series.

A reckless game of international chance.

Zackary Stark and his brother travel the globe in search of extreme thrills, but a trip to Venezuela to jump the world's highest falls catapults them into an adventure more perilous than any they've attempted before.

A deadly unexpected diversion.

Kidnapped and held prisoner deep in the jungle, the brothers stage a gutsy escape, agreeing to rendezvous a week later in Rio. Zak is nearly killed as he flees, but in recovery he discovers a baffling new sixth sense: a string of numbers running through his mind that correlates to his missing brother's location.

A one-night-stand that could change his life forever.

Zak returns to the steamy jungle with the help of a beautiful accomplice. Determined to find his brother, the lovers heat up the chase when they realize they are being hunted not just by the brutal captors but by a mysterious man who wants the Stark men dead—at any cost.
