Kicking & Screaming: Our Journey from Mormonism to Christianity Wayne L., Carol Perkins Jensen

"This book is about my family's journey out of the LDS church into Christianity - a journey that only God could have done. This book is proof that "God decides" and then takes us on miraculous journeys. My husband and I wrote this book originally for our friends, since they weren't allowed to talk to us. It developed over time. Through our experiences, we realized that it helped people who were considering leaving the LDS church and wanted to know the consequences, and others dealing with LDS members, both friends and family. We have shared this story with many people. However, if you are looking for a perfect family with no struggles and no sin, look elsewhere. We cling to God's Word and Saving Grace - He died to take away our sins. As we age, we want to leave this as a living testament to God's power and love."
