Orlando

Virginia Woolf

Orlando Virginia Woolf

Orlando lives through four centuries and many disguises. He is page ot Queen Elizabeth I, beau at the Court of King James, Ambassador to the pompous palaces of constatinople. There, he undergoes a miraculous transformation. While revolution explodes around him he sleeps--for days--a dn finds on waking that he has become a woman. Orlando as a woman is as beautiful, sensuous and unfashionably irrepressible as when she was a man. Times change, but Orlando's youth is unceasing. Though the Wits of the eighteenth century bore her to tears and the crinolines of the nineteensth threaten to engulf her, Orlando bursts into the twentieth century still full of energy and irreverence. Orlando stands history on its venerable head and rewrites literature with wit, vigour and exuberance.

From reader reviews:

Grace McClellan:

People live in this new day time of lifestyle always make an effort to and must have the free time or they will get lot of stress from both daily life and work. So , whenever we ask do people have spare time, we will say absolutely without a doubt. People is human not a robot. Then we consult again, what kind of activity do you have when the spare time coming to a person of course your answer may unlimited right. Then ever try this one, reading textbooks. It can be your alternative throughout spending your spare time, the book you have read is definitely Orlando.

Herman Ovalle:

It is possible to spend your free time to read this book this book. This Orlando is simple to deliver you can read it in the recreation area, in the beach, train and soon. If you did not possess much space to bring the actual printed book, you can buy typically the e-book. It is make you much easier to read it. You can save the particular book in your smart phone. And so there are a lot of benefits that you will get when you buy this book.

Sabrina King:

As we know that book is essential thing to add our know-how for everything. By a e-book we can know everything we would like. A book is a group of written, printed, illustrated or perhaps blank sheet. Every year seemed to be exactly added. This publication Orlando was filled concerning science. Spend your extra time to add your knowledge about your research competence. Some people has various feel when they reading some sort of book. If you know how big good thing about a book, you can sense enjoy to read a publication. In the modern era like currently, many ways to get book that you simply wanted.

Richard Diller:

As a university student exactly feel bored in order to reading. If their teacher questioned them to go to the library as well as to make summary for some e-book, they are complained. Just tiny students that has reading's heart and soul or real their pastime. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that looking at is not important, boring and can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this Orlando can make you feel more interested to read.
