His biggest humiliation was being made to watch!

Lucy was a bored suburban housewife with a naughty side. A very wicked side even. She had never taken things this far before. Going to a club, making her husband watch as she chose a **random stranger, a huge dark bull**, and undressing him without a word. Letting him run his slender fingers all over her. Bite her. Taste her. Spank her. Bareback her with his **huge, primed meat!** And all while her husband watches, powerless to intervene!

But will Lucy keep control of the situation, or does her new lover have kinks of his own?
