"Just Breathe has everything I look for in a smart, steamy romance--a little heartache, a little humor, and a whole hell of a lot of sexy. Elle is lovely, funny, vulnerable, and real--the kind of girl you want to find love...but you will shove her out of the way to get your hands on gorgeous, thoughtful Dominic. Trust me." - Melanie Harlow, Author of FRENCHED

"Just Breathe is a bold and fresh story that stands out in the emerging category of New Adult. Do yourself a favor and read this unique and poignant book. Trust me."

-Chelsea M. Cameron, New York Times and USA Today Bestselling Author

Twenty-one-year-old Elle Granger's boyfriend broke up with her like a coward. He moved to another city without so much as a kiss goodbye. Devastated and embarrassed, Elle told her friends the break-up was mutual and hid her heartache working long hours at the library. By night, she self medicated with pot. Weeks later, with her heart and lungs screaming for a break, Elle quits smoking and turns to her friends. But before she can let them in on Jason's betrayal, her best friend moves to Spain, and her roommates start acting strangely.

Enter sexy library patron Dominic, who sweeps Elle off her feet and into his Maserati. He makes her feel oh so good, and puts effort into coming up with dates that don't set off her Synaesthesia. Just when Elle starts feeling whole again, Jason returns, determined to reunite. Elle rejects his effusive apologies and reasons for leaving – until she catches Dominic in a devastating lie.

Will his betrayal push her back into her suddenly attentive ex's arms? Can she trust Jason not to break her heart again? The wrong choice and Elle's happy ending could go up in smoke. But when your only choices are the devils you know, all you can do is JUST BREATHE.
