Hi, I'm Madison. Well that's what my mom and my teacher, Mr. Wrong (his real name is Mr. Wright), call me, but I prefer to be called Maddy. I'm 9 years old and I live in a small town in the United States with my annoying older sister Zoey, my dog Rupert, and my parents. I go to school nearby. Over the years I have learnt a lot about life and how to handle things at home and at school.

This short story is about something that happens every day. Mom wants me to go sleep even though I'm not ready. I try everything: telling her that I'm not tired, reading in my bed after 'lights out', playing shadow puppets with the torch and talking to my sister. Well, as you'll see none of it works because in the end sleep comes and gets me.
