Burn This Book: Notes on Literature and Engagement Toni Morrison

Published in conjunction with the PEN American Center, *Burn This Book* is a powerful collection of essays that explore the meaning of censorship and the power of literature to inform the way we see the world, and ourselves.

As Americans we often take our freedom of speech for granted. When we talk about censorship we talk about China, the former Soviet Union, or the Middle East. But recent political developments—including the passage of the Patriot Act—have shined a spotlight on profound acts of censorship in our own backyard. *Burn This Book* features a sterling roster of award-winning writers offering their incisive, uncensored views on this most essential topic, including such revered literary heavyweights as Toni Morrison, Salman Rushdie, Orhan Pamuk, David Grossman, and Nadine Gordimer, among others.

Both provocative and timely, *Burn This Book* is certain to inspire strong opinions and ignite spirited, serious dialogue.
