Mary Jane is a silly name Sammy gave me when I broke up with the Security Guard outside that watches the parking lot for the strippers and customers, "I didn't even realize he was on top of me. I looked up. Knew I recognized him. It was #X#X# - The Parking Lot Security Guard?" The next day, he told Sammy, the girls, actually every girl in the whole dressing room, "I got together with Carrie! Carrie and I are dating now. Where should I take her to dinner tonight? I want to call her. Does anybody have Carrie's phone number?" I worked a twelve hour shift to make my car payments. After dancing exhausted, he must have asked me if I wanted to smoke up. We did. I got naked. The next thing I know, the Security Guard is telling everybody we are dating, because I had sex with him. Being a nymphomaniac doesn't help when you are high. Strippers in the Dressing Room started to call me Mary Jane after that day. The name stuck. Even customers knew my business. Everybody around here is a rumor rat." Mary Jane has crazy adventures in Las Vegas. She is toxic between the legs.
