This study is not an examination of **what** Jesus taught. It is an examination of **how** Jesus taught. In this book, you will learn. . .

- Why is story such an effective way to teach? Where to find great stories. It is easier than it has ever been. What makes a great story?
- How many times did Jesus ask questions? I was shocked by the answer.
- What did Jesus expect of his disciples and how does expectation affect teaching?
- Jesus wasn't always meek and mild and if you want to teach like Jesus you should raise your voice from time to time.
- Teaching is not just about teaching. It is also about relationship. Love like Jesus.
- Jesus teaching was not always clear. We are still fighting about it today. Why is that? Why wasn't Jesus clearer when he taught?
- Jesus often taught in apparent contradiction. He told us to let our light so shine before men and to be careful not to do our acts of righteousness before men. He made these two statements in one sermon. What do we learn about teaching from that?
- Jesus teaching was shocking to his original audience. Sometimes it shocks us. This book is born out of a careful study of the life of Christ taken from the gospels in the original Greek. Background information is from respected commentaries as well as the latest brain science on how we learn.

This book has one simple goal:

Teach like Jesus.
