Where Evil Hides Dean L. Hovey

Somewhere in rural Pine County Minnesota, a man of evil hides by day and stalks his female victims at night. His gruesome acts of rape and murder point to a demented personality, yet his ability to elude the police shows the man to be of high intelligence and cunning. Undersheriff Dan Williams and his deputies use every investigative technique, yet the man seems to be invisible. As they seek him out, Williams and his deputies become obsessed with a personality turned from young innocence to enraged sadism. With this his first novel, author Dean L. Hovey takes us into the inner workings of a rural county sheriff's department as they attempt to find *Where Evil Hides*.
