Richard E. Byrd

Alone Richard E. Byrd

The harrowing and heartfelt account of an adventurer's desire to feel true peace and isolation. Richard E. Byrd chose to stay alone in the Antarctic over the long dark nights of Antarctic winter. The following story details his battle with monoxide poisoning, depression and utter despair. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
