He has her...now he has to keep her...

Rosalie has finally admitted that a life without her hot, dangerously attractive werebear is no life at all. The curvy barista is brave enough to swallow all her uncertainties and give love a chance. But will love be all she hopes it will be, or is loving a werebear a bit too...magical?

Damon has found his mate and he will make certain that she doesn't slip from his grasp again. He can't keep his hands off of her and thankfully, she feels the same, giving him ample opportunity to learn her lush curves and worship her softness. If only he could show her that it is not just physical, but that he wants her with all his heart. Perhaps a little bit of shifter magic will do the trick, showing her that he trusts her completely?

Whatever it takes, the bear must have his bride!

Reader's note: This is the last installment of a serial (like a TV show) and it includes some pantymelting sex! It can be read as a standalone, but reading the whole series in order would be better!
