New Fashion Figure Templates: Over 250 Templates Patrick John Ireland

From quick sketches to polished portfolio pieces, this essential collection leads the fashion student through every stage of the design process. Two hundred classic and modern templates of men, women, teens, and children show figures from every imaginable angle (full-length, three-quarter, back, and front-on), so would-be designers can showcase each stunning garment with the correct pose. Draw right over the templates using semi-transparent layout paper, a light box, or computer scanning. For more adventurous students, this will serve as a guide to create their own properly proportioned figures freehand and elongate the hands, feet, and legs for elegant curves that draw the eye to every unique style feature.
