The Planner is a 9"x6" paperback book that is sturdy and easy to write in. The front cover features the beautiful red ohai lehua from the ohia tree native to Hawaii. The 150 interior pages are black and white. An overview calendar for each month is followed by two pages for each week of the month in 2015. Overview calendars for December 2014 and January 2016 are also included. Each day of 2015 has space to write plans, to do lists, and record the events of the day. Each day also has a space for a daily food log and calorie count. The Planner has pages in the front to record goals for the year, make choices about your life, and write down plans for the year. At the back of the Planner are pages to record the years accomplishments and make plans for 2016. Next to each monthly calendar there are spaces to track short term goals and projects and record events. The Planner is a great method for keeping track of upcoming events, tracking calories, monitoring your weight, and having a record of what happens each day and month of the year. At the end of the 2015, your paperback book will be a record of everything that happened during the year.
