Blaze Stephen King

Clay Blaisdell is one big mother, but his capers were just small-time until he met George Rackley. George introduced him to a hundred cons and one big idea: kidnapping the child of rich parents.

The Gerards are filthy rich, and the last twig on the family tree could be worth millions. There's only one problem: by the time the deal goes down, the brains of the partnership is dead. Or is he? Now Blaze is running into the teeth of a howling storm, and the cops are closing in. He's got a baby as a hostage, and the Crime of the Century just turned into a race against time in the white hell of the Maine woods.
