Prix du Polar a la Mejor Novela de Intriga.

«Mientras duerma, mi mente borrará todo lo que he hecho hoy. E igual que hoy, me despertaré mañana. Pensando que soy joven. Pensando que aún tengo por delante toda una vida llena de posibilidades...»

Christine es incapaz de recordar. Debido a un terrible accidente, cada mañana al despertar ha olvidado dónde está, por qué está allí y quién es el hombre que duerme a su lado. Ni tan siquiera se reconoce en la imagen que le devuelve el espejo.

Vive atrapada en una existencia que depende de lo que le cuentan su paciente marido y el psicólogo al que visita a escondidas de aquél. Y también de lo que escribe en el diario que esconde todas las noches antes de acostarse. Pero Christine no tarda en sospechar que alguien no está diciéndole toda la verdad, que las cosas no son lo que parecen y que sobre ella se cierne una amenaza cuya clave se encuentra oculta en su memoria.

¿Qué sucedería si no recordaras tu nombre, tu identidad, tu pasado e incluso a todos a los que amas cada mañana al despertar? Todo olvidado durante la noche, tu vida convertida en un rompecabezas. ¿Y si, además, sospecharas que la única persona en la que confías no te está contando toda la verdad?

Con *No confíes en nadie*, un thriller psicológico adictivo y de desenlace imprevisible, S.J. Watson deslumbró a la crítica y los lectores de todo el mundo. Y su maestría se reafirma con su segunda novela: *Otra vida*.

ENGLISH DESCRIPTION

S. J. Watson makes his powerful debut with this compelling, fast-paced psychological thriller, reminiscent of *Shutter Island* and *Memento*, in which an amnesiac who, following a mysterious accident, cannot remember her past or form new memories, desperately tries to uncover the truth about who she is—and who she can trust.
