"Another page turner--I couldn't put it down!" --Lori Foster, *New York Times* bestselling author

The Monroe brothers found a home in Haven, Georgia, thanks to the big-hearted couple who adopted them all. Now, grieving their late sister, these three very different men will come together to honor her memory. And with the help of some unforgettable women, each will find the chance to build a whole new future...

Zach Monroe has made mistakes--big ones. The worst left the girl he loved injured, and his own brother barely speaking to him. It was a night Zach won't let himself forget, even when the girl in question--perfect, polished Sophie Allen--walks back into his life. A realtor, Sophie's brought an offer for their sister's dilapidated Civil War era property. But Zach's determined to renovate the rambling old place himself--though he longs to rebuild Sophie's trust in him...

A business deal isn't how Sophie wanted to approach Zach after all this time, but he won't let anyone get personal. She can't deny that the accident changed her life in irreparable ways. But watching gruff, quiet Zach beat himself up year after year hurts too. The wounded boy she once adored needed love, and the man is no different. Now Sophie will need every bit of her resolve to convince Zach to let love heal them both...

"Captivating...sexy...emotional! Jules Bennett delivers another delicious read!"
