Columbia University. Teachers College. Arts and Crafts Club.

Art and industry in education: a book illustrative of the principles and problems of the courses in fine and industrial arts at Teachers College Columbia University. Teachers College. Arts and Crafts Club.

This book was digitized and reprinted from the collections of the University of California Libraries. It was produced from digital images created through the libraries' mass digitization efforts. The digital images were cleaned and prepared for printing through automated processes. Despite the cleaning process, occasional flaws may still be present that were part of the original work itself, or introduced during digitization. This book and hundreds of thousands of others can be found online in the HathiTrust Digital Library at www.hathitrust.org.
