El médico de Córdoba (Spanish Edition)

Herbert le Porrier

El médico de Córdoba (Spanish Edition) Herbert le Porrier

La reconstrucción de la vida y la época del gran Maimónides: un médico, un filósofo, pero sobre todo, un sabio.

En el siglo XII Córdoba, capital califal de al-Andalus, era una ciudad de calles pavimentadas, de magníficos jardines y con una de las universidades más reputadas del mundo medieval. En ella convivían tres culturas: la árabe, la cristiana y la judía.

Cuando cierra los ojos, el anciano Moisés Maimónides evoca esa ciudad privilegiada de su niñez... y los recuerdos se desgranán: la huida de su familia tras la invasión almohade y el largo camino del exilio que lo lleva a recorrer toda la costa del Mediterráneo, al tiempo que su fama como médico, filósofo, teólogo y, sobre todo, sabio se va acrecentando hasta hacer de él una de las figuras esenciales de la historia del pensamiento.

Reseña:

«Una maravillosa joya de la literatura y sin duda la mejor biografía de Maimónides.»
