Lisa Kallisto—overwhelmed working mother—is the not-so-perfect model of the modern woman. She holds down a busy job running an animal shelter, she cares for three demanding children, and she worries that her marriage isn't getting enough attention. During an impossibly hectic week, Lisa takes her eye off the ball for a moment and her world descends into a living nightmare. Not only is her best friend's thirteen-year-old daughter missing, but it's Lisa's fault. To make matters worse, Lucinda is the second teenage girl to disappear within the past two weeks. The first one turned up stripped bare and abandoned on the main street after a horrible ordeal. Wracked with guilt over her mistake, and after having been publicly blamed by Lucinda's family, Lisa sets out to right the wrong. As she begins digging under the surface, Lisa learns that everything is not quite what it first appears to be.

In Paula Daly's heart-stopping debut novel, motherhood, marriage, and friendship are tested when a string of abductions tear through a small-town community. Gripping and fast-paced, *Just What Kind of Mother Are You?* introduces an outstanding new thriller writer with a terrifying imagination for the horrors that lurk in everyday lives.
