17N's Philosophy of Terror: An Analysis of the 17 November Revolutionary Organization (Praeger Security International) Ioanne K. Lekea

This book uses a cross-disciplinary approach to examine the creation, development, ideology, and practice of the Marxist terrorist group 17N.

- Provides an in-depth analysis of the organization's manifestos and how they correlated with 17N's ideology and the practices the group used
- Analyzes whether 17N had moral and ethical principle rules as a group or were little more than an outspoken group of criminals
- Supplies three appendixes: 17N operations and their results in chronological order; 17N manifestos in chronological and thematic order; and 17N arrest milestones
