Angel Sanctuary, Vol. 2: The Crying Game kaori Yuki

The angel Alexiel loved God, but she rebelled against Heaven when she saw how disgracefully the other angels were behaving. She was finally captured, and as punishment sent to Earth to live an endless series of tragic lives. She now inhabits the body of Setsuna Mudo, a troubled teen in love with his sister Sara. Setsuna's misery mirrors the chaos among the angels, and their combined passions threaten to destroy both Heaven and Earth. The most insane creatures in the nine planes of heaven and nine planes of hell are all telling messed-up teenager, Setsuna that he is the reincarnation of an angel. That wouldn't be so bad except that some of these beings are trying to kill him, and others want him to lead them in a revolt against God! All Setsuna wants to do is keep a sister he loves away from the dangerous creatures who are trying to harm her. Unfortunately some of the worst harm can come from Setsuna's love, which threatens to bloom into full-blown incest! How can Setsuna protect his sister from himself?!
