In the Red Kari Gregg

Forensic accountant Brian Foster was a rising star at TFOS -- the FBI's Terrorism Financing Operations Section -- until he was abducted, "questioned," and left for dead. His nine days of captivity broke him. Brian retreats to the mountains of western Maryland where he amasses enough weaponry to hold off a zombie hoard and enough lamps to pinpoint his location from the International Space Station. He's losing the battle against paranoia. Too bad TFOS needs him. Brian stumbled onto something big when he vanished last year and TFOS needs that case resolved. Now.

The FBI tasks Special Agent Zachary Murdock with gluing Brian together and returning him to TFOS. Brian will steady once he focuses on work instead of his neuroses. As Zachary nudges Brian back into the career that cost him dearly, Brian's paranoia escalates. Personal and professional lines blur. Zachary isn't sure which presents the biggest complication anymore: Brian's peculiar brand of crazy, the case they're working, or the closeted submissive's surprising -- and enthralling -- kink.

Zachary and Brian both know, when the case heats up and they're forced to run, they're operating at a loss, though: they are in the red.

Content Warnings: Dubious consent, lotsa kink, and an embarrassment of smokin' hot m/m riches!

NOTE: This is a previously published work.

From reader reviews:

Lucille Renner:

What do you think of book? It is just for students as they are still students or this for all people in the world, exactly what the best subject for that? Simply you can be answered for that concern above. Every person has different personality and hobby per other. Don't to be forced someone or something that they don't need do that. You must know how great and also important the book In the Red. All type of book would you see on many methods. You can look for the internet resources or other social media.

Johnna Chapin:

Nowadays reading books are more than want or need but also become a life style. This reading addiction give you lot of advantages. The advantages you got of course the knowledge the rest of the information inside the book which improve your knowledge and information. The data you get based on what kind of guide you read, if you want get more knowledge just go with knowledge books but if you want really feel happy read one with theme for entertaining such as comic or novel. The actual In the Red is kind of book which is giving the reader erratic experience.

Nicole Norris:

Reading a publication tends to be new life style in this particular era globalization. With examining you can get a lot of information which will give you benefit in your life. Having book everyone in this world can certainly share their idea. Textbooks can also inspire a lot of people. Lots of author can inspire all their reader with their story as well as their experience. Not only the storyline that share in the guides. But also they write about advantage about something that you need example of this. How to get the good score toefl, or how to teach your kids, there are many kinds of book that you can get now. The authors on earth always try to improve their expertise in writing, they also doing some analysis before they write with their book. One of them is this In the Red.

Blanche Dobos:

Do you like reading a guide? Confuse to looking for your best book? Or your book ended up being rare? Why so many query for the book? But any kind of people feel that they enjoy to get reading. Some people likes reading through, not only science book but additionally novel and In the Red or perhaps others sources were given information for you. After you know how the great a book, you feel wish to read more and more. Science guide was created for teacher as well as students especially. Those ebooks are helping them to increase their knowledge. In some other case, beside science reserve, any other book likes In the Red to make your spare time much more colorful. Many types of book like this one.
