Screamscapes Evans Light

SCREAMSCAPES: TALES OF TERROR is a collection of uniquely twisted tales designed to delight fans of modern horror.

Razor-sharp scares and Tales from the Crypt-style mayhem lurk within these dark stories of possession, obsession, deception and revenge...this is one collection you don't want to miss!

INCLUDES:

Crawlspace

Fooling around on your wife can be hazardous to your health.

Jusk ask Tom. He's a man with a lot to juggle: a frustrated wife, a secret new girlfriend, and the unpleasant task of trying to keep his deteriorating vintage farmhouse from falling down around him.

Now with his wife out of town for the week, Tom is eager to get busy under the covers with his beautiful new lover - but first there's something he has to finish up in...the *Crawlspace*.

Whatever Possessed You?

A strange encounter and a cryptic message leaves Gerard Faust a changed man. Now a novel he can't remember writing is burning up the sales charts, but is something other than his own talent lurking within?

ArborEATum

When a band of westward pioneers - lost, starving, and desperate - stumbles upon an unlikely oasis in the middle of a barren prairie, Micah wonders if his family has finally caught a lucky break...or does this new Garden of Eden hide a forgotten terror behind a veil of earthly delights?

Curtains for Love

When Claire and James move into a beautiful Victorian home together, she soon discovers that he is being seduced by a secret from his past, one thought buried long ago.

Gertrude

"Tell me something interesting about yourself."

"Well, I have a symbiotic twin named Gertrude. She lives in a small cavity under my ribcage, next to my spleen. If I lie still in bed at night, I can hear her. I think she might be crying."

So begins this short twisted tale where an obvious lie faces off with the truth.

Black Door

William and his brothers are on their way to summer camp. But when a wrong turn leads them to an abandoned campground, things start to get weird in this nail-biting and suspenseful short story.

The Mole People Beneath the City

Late at night in the subway, a little girl and her father wait for a train that runs deep beneath New York City. It will be a ride they never forget.

Pay Back

Stephen Hill has been heaping abuse on poor Joe King since second grade.

Now they're grown men with nothing in common, and Joe still patiently endures Stephen's unrelenting ridicule. But when friendship is only a matter of perspective, PAY BACK might be just around the corner in this irreverent and darkly humorous tale of revenge.

Nose Hears

A man thinks he might be losing his mind when he starts to hear voices inside of his nose.

The Package

When a world-famous personality discovers there's a way to enlarge his "package" to become the world's biggest, he finds it an opportunity too enormous to resist.

From reader reviews:

Eugene Glover:

Within other case, little persons like to read book Screamsapes. You can choose the best book if you'd prefer reading a book. Provided that we know about how is important a new book Screamsapes. You can add knowledge and of course you can around the world by way of a book. Absolutely right, mainly because from book you can realize everything! From your country until eventually foreign or abroad you may be known. About simple factor until wonderful thing you could know that. In this era, we can open a book or maybe searching by internet device. It is called e-book. You may use it when you feel uninterested to go to the library. Let's examine.

Anita Jones:

People live in this new day time of lifestyle always make an effort to and must have the time or they will get great deal of stress from both way of life and work. So , once we ask do people have free time, we will say absolutely sure. People is human not a robot. Then we request again, what kind of activity are you experiencing when the spare time coming to a person of course your answer will unlimited right. Then do you ever try this one, reading textbooks. It can be your alternative throughout spending your spare time, the book you have read is actually Screamsapes.

Hazel Reinoso:

Beside this kind of Screamsapes in your phone, it may give you a way to get closer to the new knowledge or data. The information and the knowledge you might got here is fresh from the oven so don't end up being worry if you feel like an old people live in narrow village. It is good thing to have Screamsapes because this book offers to you readable information. Do you often have book but you rarely get what it's exactly about. Oh come on, that will not happen if you have this with your hand. The Enjoyable agreement here cannot be questionable, like treasuring beautiful island. Techniques you still want to miss that? Find this book in addition to read it from right now!

Charles Montiel:

Is it an individual who having spare time then spend it whole day by simply watching television programs or just lying on the bed? Do you need something new? This Screamsapes can be the respond to, oh how comes? The new book you know. You are therefore out of date, spending your free time by reading in this brand-new era is common not a geek activity. So what these ebooks have than the others?
