**Sir Gawain and the Green Knight** Anonymous

**An early English poem of magic, chivalry and seduction**

Composed during the fourteenth century in the English Midlands, *Sir Gawain and the Green Knight* describes the events that follow when a mysterious green-coloured knight rides into King Arthur's Camelot in deep mid-winter. The mighty knight presents a challenge to the court: he will allow himself to be struck by one blow, on the condition that he will be allowed to return the strike on the following New Year's Eve. Sir Gawain takes up the challenge, decapitating the stranger - only to see the Green Knight seize up his own severed head and ride away, leaving Gawain to seek him out and honour their pact. Blending Celtic myth and Christian faith, Gawain is among the greatest Middle English poems: a tale of magic, chivalry and seduction.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
